

## Personal, Social and Emotional Development

We will

- Go on our first class trip; visit a farm park.
- Continue our work on feelings and emotions and how our actions may affect others.
- Consider if you would like to live on a farm?
- Follow our new positive reward system and earn pom-poms for our house.

## Communication, Language & Literacy

We will

- Continue with daily phonics and reading.
- Listen to different farm stories.
- Retell stories using puppets or props.
- Make up our own story using objects from a bag.
- Draw our own plans for a farm and label them.
- Write for different purposes; shopping lists, recount of our visit to a farm park, descriptive writing (animals and farm scenes).

## Expressive Arts and Design

We will

- Role-play in our 'farm shop'.
- Act out and retell stories.
- Consider how characters feel in stories (basic drama activities).
- Plan and build our own farms/farmyards using a variety of construction resources.
- Design own scarecrow.
- Sing farm songs and make up our own versions.

Term 4  
Reception Class  
'Do cows drink milk?'  
Topic web

## Mathematics

We will

- Continue to name numbers 1-20 (and beyond), place them in order; say one more and one less than a given number.
- Count on from a given number when combining two sets of items.
- Go on an egg hunt in the garden; place the eggs in number order and use ordinal language e.g. first, second, third when comparing where we found them.
- Start to recognise o'clock times.
- Revisit our work on coins.

## Physical

We will

- Continue to work on body control, coordination skills and general sports skills.
- Continue to develop fine motor skills for pencil control and letter formation.
- Consider how we can keep healthy and look after ourselves (diet, exercise, hygiene, sleep etc).

## Understanding the World

We will

- Consider if a farm is different to where we live.
- Think about which animals live on a farm?
- Investigate how technology is used on a farm.
- Consider what foods are made from milk and what happens to milk if it is left out at room temperature?
- Visit a farm park.
- Observe signs of spring.
- Which animals are born in the spring time?
- Learn about Easter.
