

Art and Design

We will be creating 3D clay images of superheroes.

Music

We will be using instruments to create superhero sound effects.

Computing

We will be saving images of our favourite superheroes and making collages with them. We will be using drawing packages to create superhero images. We will be looking at internet villains and creating e-safety posters. We will be using the internet to research heroes from mountain rescue. We will be making simple animations of ourselves as

History

We will be looking at historical heroes such as Florence Nightingale and Mary Seacole. We will be retelling their life stories and finding out what made them so heroic. We will be comparing them with modern heroes.

Year 1 Superheroes Spring 1

Wow Day - come to school dressed as a superhero on Thursday 5th January to meet some real-life heroes.

P.E.

We will be moving around like superheroes-rolling, jumping and crawling. We will be matching actions and movements with superhero music. We will be playing 'Superman says'. We will be travelling round obstacle courses, rescuing people. We will be dancing to superhero music focussing on speed and dynamics.

Design & Technology

We will be making superhero masks using real masks as inspiration. We will be expressing our opinion about the masks.

Science

We will be finding out how our senses help us in everyday life. We will be investigating who has superpowers-finding out who is super flexible, has good eye sight or a great singing voice. We will then label these skills

R.E.

Key question:
Was it always easy for Jesus to show friendship?
