

Kate  
Pengelly

I have lived in lots of different countries, from Ecuador to Poland, Canada to Spain...but my favourite place to be is Witney.

I love to read anything that transports me from my sofa to an exciting place...

At the moment, I have a wonderful job looking after my three children - Dorset Apple Cake, baked with them is my favourite food, yum!

I have worked as a manager and project lead for the NHS and for the Ministry of Health in Canada.
