No. 38 - 21st July 2022

Message from the Executive Head

Dear Families,

As we reach the end of the academic year, I want to thank each and every one of you for all you have done for the children of St. Marys and The Batt over the last 12 months. We have weathered record breaking storms and the highest temperatures ever. We have continued to be disarmed by Covid and illness.

Yet, we have also celebrated the Queen's Platinum Jubilee and enjoyed resuming many of the extra activities that make our schools so special: sports day, school trips, sporting competitions, school plays and musical productions.

Under the new leadership structure we have seen the schools working together. As well as having created key roles across both schools, SEND, Nurture, Transition and School Business Manager, staff are working alongside each other. The Year 2s from St. Mary's have expressed how easy the transition has been this year with the coordinated approach to events.

I want to finish my year by singing the praises of the staff. Their dedication, enthusiasm and sheer passion for what they do, permeates every wall, floor and ceiling in the schools. You are all extra special and I wish you all the very best in the years to come.

Very warmest love,

Charlie Barwell, Executive Headteacher

St. Mary's Infants and The Batt Primary Schools
