Year Group	Autumn Term 1	Autumn Term 2	Spring Term 1	Spring Term 2	Summer Term 1	Summer Term 2
Reception	Throughout the year children will look back at their lives and share what they can remember about being younger and about starting school. We will invite an older member of the community to come in and share their experiences of being 4 and 5 and we will think about things that are old and new by enhancing the learning environment with different curiosities such as typewriters, cameras, records and cds and old telephones. During our walks around Witney the children will learn to identify old and new buildings and they will become familiar with simple maps. We will explore different areas of the local town such as Langal Common, St Mary's Church and the Leys, and talk about the differences in these areas. We will also talk about places in the world that we may have visited for holidays.
